EMBASSY OF THE UNITED STATES OF AMERICA

Dakar, January 10, 1963

Excellency :

I have the honor to refer to conversations between representatives of our two Governments concerning the volunteers of the American Peace Corps.

Desirous of consolidating the friendly relations already existing between our two States and their peoples, and recognizing that economic and social progress constitutes the foremost guarantee of peace, I have the honor to propose the conclusion of the following Agreement between the Government of the United States of America and the Government of the Republic of Senegal concerning the presence of volunteers of the Peace Corps in Senegal :

Article 1

Volunteers of the Peace Corps can be made available by the Government of the United States of America to the Government of the Republic of Senegal on the latter's request to perform tasks which shall have been agreed to by our two Governments.

Article 2

The volunteers will work exclusively under the supervision of official agencies of the Government of the Republic of Senegal, after agreement of the Government of the United States of America. Prior to their arrival in Senegal the volunteers will have received appropriate training provided by the Government of the United States of America.

¹ Came into force on 17 January 1963 in accordance with the provisions of the said notes.

¹ Entré en vigueur le 17 janvier 1963 conformément aux dispositions desdites notes.

Article 3

a) The Government of the Republic of Senegal will accord to the volunteers and their property its aid and protection, including treatment no less favorable than that generally accorded to American citizens resident in Senegal.

b) The Government of the Republic of Senegal will keep the representatives of the Government of the United States of America fully informed regarding all questions which may arise out of the presence and work of the volunteers in Senegal. The Government of the Republic of Senegal will make every effort to resolve these questions with such representatives in a spirit of friendly cooperation.

Article 4

a) The Government of the Republic of Senegal will exempt the volunteers from all taxes and fees on the payments which they receive from the Government of the United States of America or from any other source outside of Senegalese territory to cover their personal needs.

b) The personal effects and furnishings of the volunteers for their own use will be granted, upon their entry into Senegal, temporary admission, and specifically the suspension of all customs duties and charges, in accordance with regulations in force in Senegal.

Article 5

The Government of the United States of America, in agreement with the Government of the Republic of Senegal, will provide the volunteers with the supplies and equipment which they professionally require in order to perform their tasks. These supplies and this equipment will be granted the temporary admission provided for in Article 4, paragraph b, of the present Agreement.

Article 6

The Government of the Republic of Senegal will receive a representative of the Peace Corps and his staff designated by the Government of the United States of America. This representative and his staff will be granted, to the exclusion of all other privileges and immunities, the fiscal and customs immunities provided for administrative and technical personnel of diplomatic missions in the Convention on Diplomatic Relations signed at Vienna on April 18, 1961.¹

Article 7

Particular arrangements may be concluded between the two Governments in further implementation of the present agreement.

Article 8

The undertakings of the two Governments by virtue of the present Agreement will be subject to the laws and financial regulations, and to such other legal and mandatory requirements as may apply thereto, in each one of the two States.
