No. 7669. EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT¹ BETWEEN THE UNITED STATES OF AMERICA AND GREECE RELATING TO TRADE IN COTTON TEXTILES. WASHINGTON, 17 JULY 1964

I

The Secretary of State to the Greek Ambassador

DEPARTMENT OF STATE
WASHINGTON

July 17, 1964

Excellency :

I have the honor to refer to recent discussions between representatives of the Government of the United States of America and the Government of Greece concerning trade in cotton textiles between Greece and the United States.

As a result of these discussions I have the honor to propose the following agreement relating to trade in cotton textiles between Greece and the United States :

1. The Government of Greece shall limit annual exports to the United States in all categories of cotton textiles for the twelve-month period beginning September 1, 1964, in accordance with the following :

(a) Yarn (categories 1-4) 1 million pounds.

(b) Fabrics and made-up goods (categories 5-38, 64) 1 million square yards equivalent.

(c) Apparel (categories 39-63) 200,000 square yards equivalent.

2. Within the ceiling for yarn the following sub-ceilings shall apply :

Category 1	475,000 pounds
Category 2	150,000 pounds
Category 3	315,000 pounds
Category 4	75,000 pounds

3. Within the ceiling for fabrics and made-up goods, exports in any one category shall not exceed 200,000 square yards equivalent in any agreement year except by mutual agreement of the two governments.

¹ Came into force on 17 July 1964 by the exchange of the said notes.

4. The limitation on exports established by paragraphs 1, 2, and 3 of this agreement shall be raised by 5 percent for the twelve-month period beginning September 1, 1965 and on a cumulative basis by 5 percent for the subsequent twelve-month period.

5. The Government of Greece shall space exports in the yarn categories 1, 2, 3 and 4 as evenly as practicable within an agreement year except that exports in this group of categories may be permitted to reach 75 percent of the annual level during the first six months of the first agreement year.

6. Each Government agrees to supply promptly any available statistical data requested by the other government. In the implementation of this agreement, the system of categories and the factors for conversion into square yards equivalent set forth in the Annex¹ hereto shall apply.

7. For the duration of this agreement, the Government of the United States shall not invoke the procedures of Articles 6 (c) and 3 of the Long-Term Arrangement Regarding International Trade in Cotton Textiles done at Geneva on February 9, 1962² to request restraint on the export of cotton textiles from Greece to the United States.

8. The Governments agree to consult on any questions arising in the implementation of this agreement.

9. The agreement shall continue in force through August 31, 1967. As used herein, the term "agreement year" means a twelve-month period from September 1 through August 31. Either government may propose revisions in the terms of the agreement, or may terminate the agreement at any time, giving notice at least 30 days prior to that proposed revision or termination.

For the Secretary of State :

G. Griffith JOHNSON

His Excellency Alexander A. Matsas
Ambassador of Greece
