No. 7694. EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT¹ BETWEEN THE UNITED STATES OF AMERICA AND THE UNITED KINGDOM OF GREAT BRITAIN AND NORTHERN IRELAND CONCERNING THE USE OF BEANE FIELD IN ST. LUCIA. LONDON, 20 AUGUST 1964

I

The American Ambassador to the British Secretary of State for Foreign Affairs

No. 9

August 20, 1964

Your Excellency :

I have the honor to refer to recent conversations between representatives of the Government of the United States of America and the Government of the United Kingdom of Great Britain and Northern Ireland concerning the future status and use of Beane Field in St. Lucia. Although the two Governments have today agreed² that Beane Field should no longer be a defence area under the Agreement between the Government of the United States of America and the Government of the Federation of the West Indies, signed at Port of Spain on the 10th of February 1961,³ (hereinafter referred to as "the 1961 Agreement"), the United States Government nevertheless wish to enjoy the following rights at Beane Field Airport :

(a) If Beane Field Airport is open for civil use, aircraft owned or operated by or on behalf of the United States Government shall at all times be entitled to unrestricted use of the airport, and in respect of such use the following provisions of the 1961 Agreement shall be applicable : Article V; Article VII (it being understood that no charges shall be payable for any airport services provided); Articles VIII; IX and X.

(b) If Beane Field Airport is not open for civil use, the United States Government may, upon notifying the Governments of the United Kingdom and St. Lucia, use the airport at its expense under the provisions of the 1961 Agreement. Administrative arrangements for United States use of the Airport under this paragraph will be made between the appropriate authorities of the United States Government and the Government of St. Lucia.

¹ Came into force on 20 August 1964 by the exchange of the said notes.
