² See footnote 2, p. 135 of this volume.

Such services and routes are hereinafter called "the agreed services" and "the specified routes" respectively.

- (a) To fly without landing across the territory of the other Contracting Party ;
- (b) To make stops in the said territory for non-traffic purposes ;
- (c) To make stops in the said territory at the points specified for that route in the Annex to the present Agreement for the purpose of putting down and taking on International traffic in passengers, cargo and mail.

(2) Nothing in paragraph (1) of this Article shall be deemed to confer on the airline of one Contracting Party the privilege of taking up, in the territory of the other Contracting Party, passengers, cargo, or mail carried for remuneration or hire and destined for another point in the territory of that other Contracting Party.

Article 3

(1) Each Contracting Party shall have the right to designate in writing to the other Contracting Party one airline for the purpose of operating the agreed services on the specified routes.

(2) On receipt of such designation, the other Contracting Party shall, subject to the provisions of paragraphs (3) and (4) of this Article, without delay grant to the designated airline the appropriate operating authorization.

(3) The Aeronautical Authorities of one Contracting Party may require the airline designated by the other Contracting Party to satisfy them that it is qualified to fulfil the conditions prescribed under the laws and regulations normally and reasonably applied to the operation of international air services by such authorities in conformity with the provisions of the Convention.
