AGREEMENT, dated November 8, 1965, between the KINGDOM OF MOROCCO (hereinafter called the Guarantor) and INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT (hereinafter called the Bank).

WHEREAS by an agreement of even date herewith between the Bank and Caisse Nationale de Crédit Agricole (hereinafter called the Borrower), which agreement and the schedules therein referred to are hereinafter called the Loan Agreement,² the Bank has agreed to make to the Borrower a loan in various currencies equivalent to ten million dollars (\$10,000,000), on the terms and conditions set forth in the Loan Agreement, but only on condition that the Guarantor agree to guarantee the payment of the principal of and interest and other charges on such loan; and

ditionally guarantees, as primary obligor and not as surety merely, the due and punctual payment of the principal of, and the interest and other charges on, the Loan, the principal of and interest on the Bonds, and the premium, if any, on the prepayment of the Loan or the redemption of the Bonds, all as set forth in the Loan Agreement and in the Bonds.

Article III

Section 3.01. It is the mutual intention of the Guarantor and the Bank that no other external debt shall enjoy any priority over the Loan by way of a lien on governmental assets. To that end, the Guarantor undertakes that, except as the Bank shall otherwise agree, if any lien shall be created on any assets of the Guarantor as security for any external debt, such lien will *ipso facto* equally and ratably secure the payment of the principal of, and interest and other charges on, the Loan and the Bonds, and that in the creation of any such lien express provision will be made to that effect; provided, however, that the foregoing provisions of this Section shall not apply to : (i) any lien created on property, at the time of purchase thereof, solely as security for the payment of the purchase price of such property; (ii) any lien created in the ordinary course of business on commercial goods to secure a debt maturing not more than one year after the date on which it is originally incurred and to be paid out of the proceeds of sale of such commercial goods; or (iii) any lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one year after its date.

The term “ assets of the Guarantor ” as used in this Section includes assets of the Guarantor or of any of its political subdivisions or of any agency of the Guarantor or of any such political subdivision, including the Banque du Maroc or any other institution performing the functions of a central bank.

To that end, each of them shall furnish to the other all such information as it shall reasonably request with regard to the general status of the Loan. On the part of the Guarantor, such information shall include information with respect to financial and economic conditions in the territories of the Guarantor and the international balance of payments position of the Guarantor.

(b) The Guarantor and the Bank shall from time to time exchange views through their representatives with regard to matters relating to the purposes of the Loan and the maintenance of the service thereof. Section 3.03. The principal of, and interest and other charges on, the Loan and the Bonds shall be paid without deduction for and free from any taxes imposed under the laws of the Guarantor or laws in effect in its territories; provided, however, that the provisions of this Section shall not apply to taxation of payments under any Bond to a holder thereof other than the Bank when such Bond is beneficially owned by an individual or corporate resident of the Guarantor.

Section 3.04. This Guarantee Agreement, the Loan Agreement and the Bonds shall be free from any taxes that shall be imposed under the laws of the Guarantor or laws in effect in its territories on or in connection with the execution, issue, delivery or registration thereof.

Section 3.05. The principal of, and interest and other charges on, the Loan and the Bonds shall be paid free from all restrictions imposed under the laws of the Guarantor or laws in effect in its territories.

Section 3.06. The Guarantor shall make arrangements, satisfactory to the Bank, to provide or cause the Borrower to be provided with adequate resources, in amounts and on terms satisfactory to the Bank, for the Borrower's own credit operations and for other credit schemes, if any, administered by the Borrower on behalf of the Guarantor.

Section 3.07. (a) The Guarantor shall cause OMVA, CGEA and its other agencies to continue to cooperate with the Borrower to the extent necessary for a diligent and efficient carrying out of the Project.

(b) The Guarantor shall take all measures necessary to ensure that all obligations of OMVA under the Subsidiary Loan Agreements, including OMVA's obligations with respect to the operations of CGEA shall be punctually performed.

Section 3.08. The Guarantor covenants that it will not take, cause or permit to be taken, any action which would prevent or materially interfere with the carrying on by the Borrower of its operations and affairs in accordance with sound agricultural, engineering, economic and financial practices, or with the performance by the Borrower of its obligations under the Loan Agreement.

Section 3.09. The Guarantor shall make arrangements to protect the Borrower against any loss in connection with the payment of interest or other charges on, or the repayment of principal of, the Loan or the Bonds as a result

of a change in the rate of exchange between dirhams and the currency or currencies in which such payments are to be made.

Article IV

Section 4.01.
