No. 8788. AGRICULTURAL COMMODITIES AGREEMENT¹
BETWEEN THE GOVERNMENT OF THE UNITED
STATES OF AMERICA AND THE GOVERNMENT OF
THE HASHEMITE KINGDOM OF JORDAN UNDER
TITLE IV OF THE AGRICULTURAL TRADE DEVELOP-
MENT AND ASSISTANCE ACT, AS AMENDED. SIGNED
AT AMMAN, ON 25 AUGUST 1966

The Government of the United States of America and the Government of the Hashemite Kingdom of Jordan :

Recognizing the desirability of expanding trade in agricultural commodities between their two countries in a manner which would utilize surplus agricultural commodities, including the products thereof, produced in the United States of America to assist economic development in the Hashemite Kingdom of Jordan;

Recognizing that such expanded trade should be carried on in a manner which would not displace cash marketings of the United States of America in these commodities or unduly disrupt world prices of agricultural commodities or normal patterns of commercial trade;

Recognizing further that by providing such commodities to the Hashemite Kingdom of Jordan under long-term supply and credit arrangements, the resources and manpower of the Hashemite Kingdom of Jordan can be utilized more effectively for economic development without jeopardizing meanwhile adequate supplies of agricultural commodities for domestic use;

Desiring to set forth the understandings which will govern the sales, as specified below, of commodities to the Hashemite Kingdom of Jordan pursuant to Title IV of the Agricultural Trade Development and Assistance Act, as amended (hereinafter referred to as the Act);

Have agreed as follows :

Article I

COMMODITY SALES PROVISIONS

1. Subject to issuance by the Government of the United States of America and acceptance by the Government of the Hashemite Kingdom of Jordan of credit purchase authorizations and to the availability of commodities under the Act at the time of exportation, the Government of the United States of America

¹ Came into force on 25 August 1966 by signature, in accordance with article V.

undertakes to finance, during the periods specified below, or such longer periods as may be authorized by the Government of the United States of America, sales for United States dollars, to purchasers authorized by the Government of the Hashemite Kingdom of Jordan, of the following commodities :

<i>Commodity</i>	<i>Supply Period</i>	<i>Approximate Maximum Quantity (Metric Tons)</i>	<i>Maximum Export Market Value to be Financed (1,000)</i>
Wheat and/or wheat flour	Fiscal Year 1967	22,500	\$1,497
Ocean transportation (estimated)			133
		TOTAL	\$1,630

The total amount of financing provided in the credit purchase authorizations shall not exceed the above-specified export market value to be financed, except that additional financing for ocean transportation will be provided if the estimated amount for financing shipments required to be made on United States flag vessels proves to be insufficient. It is understood that the Government of the United States of America may limit the amount of financing provided in the credit purchase authorizations, as price declines or other marketing factors may require, so that the quantities of commodities financed will not substantially exceed the above-specified approximate maximum quantities.

2. Applications for credit purchase authorizations will be made promptly after the effective date of this Agreement. Purchase authorizations will include provisions relating to the sale and delivery of the commodities and other relevant matters.

3. The financing, sales, and delivery of commodities hereunder may be terminated by either Government if that Government determines that because of changed conditions the continuation of such financing, sale, and delivery is unnecessary or undesirable.

Article II

CREDIT PROVISIONS

1. The Government of the Hashemite Kingdom of Jordan will pay, or cause to be paid, in United States dollars to the Government of the United States of America for the commodities specified in Article I and related ocean transportation (except excess ocean transportation costs resulting from the requirement that United States flag vessels be used), the amount financed by the Government of the United States of America together with interest thereon.

2. The amount of the principal due for commodities delivered in each calendar year under this Agreement, including the applicable related ocean
