Article 1

SCOPE OF THE AGREEMENT

1. This Agreement embodies the conditions under which the Organizations shall provide the Government with the services of officers to perform functions of an operational, executive and administrative character, as civil servants or other comparable employees of the Government (hereinafter referred to as "the Officers"). It also embodies the basic conditions which shall govern the relationship between the Government and the Officers. The Government and the Officers shall either enter into contracts between themselves, or adopt such other arrangements as may be appropriate concerning their mutual relationship in conformity with the practice of the Government, in regard to its own civil servants or other comparable employees. However, any such contracts or arrangements shall be subject to the provisions of this Agreement, and shall be communicated to the Organizations concerned.

2. The relationship between each Organization and the officers provided by it shall be defined in contracts which the Organization concerned shall enter into with such officers. A copy of the form of contract which the Organizations intend using for this purpose is transmitted herewith to the Government for its information, as Annex I to this Agreement.¹ The Organizations undertake to furnish the Government with a copy of each such contract within one month after it has been concluded.

Article 2

FUNCTIONS OF THE OFFICERS

1. The officers to be provided under this Agreement shall be available to perform operational, executive, administrative and managerial functions, including training, for the Government or, if so agreed by the Government and the Organization concerned, in other public agencies or public corporations or public bodies or bodies which are not of a public character.

2. In the performance of the duties assigned to them by the Government, the officers shall be solely responsible to, and be under the exclusive direction of, the Government or the public or other agency or body to which they are assigned; they shall not report to nor take instructions from the Organiza-

tions or any other person or body external to the Government, or the public or other agency or body to which they are assigned, except with the approval of the Government. In each case the Government shall designate the authority to whom the officer shall be immediately responsible.

3. The Parties hereto recognize that a special international status attaches to the officers made available to the Government under this Agreement, and that the assistance provided hereunder is in furtherance of the purposes of the Organizations. Accordingly the officers shall not be required to perform functions incompatible with such special international status, or with the purposes of the Organizations, and any contract entered into by the Government and the officer shall embody a specific provision to this effect.

4. The Government agrees that nationals of the country shall be provided as national counterparts to the officers, and shall be trained by the latter to assume as early as possible the responsibilities temporarily assigned to the officers pursuant to this Agreement. Appropriate facilities for the training of such counterparts shall be furnished by the Government.

2. The Organizations undertake to provide officers in accordance with any applicable resolutions and decisions of their competent organs, and subject to the availability of the necessary funds and of suitable officers.

3. The Organizations undertake, within the financial resources available to them, to provide administrative facilities necessary to the successful implementation of this Agreement, including the payment of stipends and allowances to supplement, as appropriate, the salaries and related allowances paid to the officers by the Government under Article 4, paragraph 1, of this Agreement, and upon request, the effecting of such payments in currencies unavailable to the Government, and the making of arrangements for travel and transportation outside of the Republic of the Ivory Coast, when the officers, their families or their belongings are moved under the terms of their contracts with the Organization concerned.
