[TRANSLATION — TRADUCTION]

No. 8816. AGREEMENT¹ ON SCIENTIFIC AND TECHNICAL
CO-OPERATION BETWEEN THE GOVERNEMENT OF
THE UNION OF SOVIET SOCIALIST REPUBLICS AND
THE GOVERNMENT OF THE KINGDOM OF MOROCCO.
SIGNED AT MOSCOW, ON 27 OCTOBER 1966

The Government of the Union of Soviet Socialist Republics and the Government of the Kingdom of Morocco,

Conscious of the advantages for both countries offered by the development of their scientific and technical relations,

Desiring to strengthen co-operation between the two countries, especially in the scientific and technical fields,

Considering that such co-operation will promote the development of the friendly relations which have been established between the Soviet Union and the Kingdom of Morocco,

Have agreed as follows :

Article 1

The Contracting Parties undertake to promote the development of scientific and technical co-operation between the two countries. They shall determine by mutual agreement the different sectors in which such co-operation is desirable, taking into account the experience acquired by their scientists and specialists and the existing possibilities.

Article 2

The co-operation envisaged in this Agreement may, in particular, take the following forms :

1. Exchange of scientific and technical delegations, exchange of individual scientists, research workers, specialists, experts, trainees and lecturers, exchange of technical documentation and information ;

2. Holding of bilateral scientific and technical symposia on problems of interest to the two Parties ;

3. Joint research work on scientific and technical problems whose results might later have industrial, agricultural and other applications ;

¹ Came into force on 27 October 1966 by signature, in accordance with article 6.
