EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT ¹ BETWEEN THE UNITED STATES OF AMERICA AND DOMINICA RELATING TO THE PEACE CORPS

I

The American Chargé d'Affaires ad interim to the Administrator of Dominica

No. 5

Bridgetown, December 16, 1966

Your Honor:

I have the honor to refer to recent conversations between representatives of our two governments and to propose the following understandings with respect to the men and women of the United States of America who volunteer to serve in the Peace Corps and who, at the request of your Government, would live and work for periods of time in Dominica.

1. The Government of the United States will furnish such Peace Corps Volunteers as may be requested by the Government of Dominica and approved by the Government of the United States to perform mutually agreed tasks in Dominica. The Volunteers will work under the immediate supervision of governmental or private organizations in Dominica designated by our two governments. The Government of the United States will provide training to enable the Volunteers to perform more effectively their agreed tasks. The Government of Dominica will bear such share of the costs of the Peace Corps program incurred in Dominica as our two governments may agree should be contributed by it.

2. The Government of Dominica will accord equitable treatment to the Volunteers and their property; afford them full aid and protection, including treatment no less favorable than that accorded generally to nationals of the United States residing in Dominica; and fully inform, consult and cooperate with representatives of the Government of the United States with respect to all matters concerning them. The Government of Dominica will exempt the Volunteers from all taxes on payments which they receive to defray their living costs and on income from sources outside Dominica, from all customs duties or other charges on their personal property introduced into Dominica for their own use at or about the time of their arrival,

¹ Came into force on 11 January 1967 by the exchange of the said notes.
