EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT¹ BETWEEN THE UNITED STATES OF AMERICA AND LESOTHO RELATING TO THE PEACE CORPS

I

DEPARTMENT OF STATE
WASHINGTON

September 22, 1967

Excellency :

I have the honor to refer to recent conversations between representatives of our two governments and to propose the following understandings with respect to the men and women of the United States of America who volunteer to serve in the Peace Corps and who, at the request of your Government, would live and work for periods of time in the Kingdom of Lesotho.

1. The Government of the United States will furnish such Peace Corps Volunteers as may be requested by the Government of the Kingdom of Lesotho and approved by the Government of the United States to perform mutually agreed tasks in the Kingdom of Lesotho. The Volunteers will work under the immediate supervision of governmental or private organizations in the Kingdom of Lesotho designated by our two governments. The Government of the United States will provide training to enable the Volunteers to perform more effectively their agreed tasks.

2. The Government of the Kingdom of Lesotho will accord equitable treatment to the Volunteers and their property; afford them full aid and protection, including treatment no less favorable than that accorded generally to nationals of the United States residing in the Kingdom of Lesotho; and fully inform, consult and cooperate with representatives of the Government of the United States with respect to all matters concerning them. The Government of the Kingdom of Lesotho will exempt the Volunteers from all taxes on payments which they receive to defray their living costs and on income from sources outside the Kingdom of Lesotho, from all other taxes or other charges (including immigration fees) except license fees and taxes or other charges included in the prices of equipment, supplies and services, and will use its best endeavors to secure exemption from all customs duties or other charges on their personal property introduced into the Kingdom of Lesotho for their own use at or about the time of their arrival.

3. The Government of the United States will provide the Volunteers with such limited amounts of equipment and supplies as our two governments may agree are needed to enable the Volunteers to perform their tasks effectively.

¹ Came into force on 22 September 1967, the date of the note in reply, in accordance with the provisions of the said notes.
