AGREEMENT¹ BETWEEN THE GOVERNMENT OF DENMARK AND THE GOVERNMENT OF THE REPUBLIC OF UGANDA ON THE ESTABLISHMENT OF A SCHOOL FOR PUBLIC HEALTH DENTAL ASSISTANTS

The Government of Denmark and the Government of the Republic of Uganda being desirous of further strengthening the friendly relations between their people and recognising the mutual interest in the economic and technical development of their countries have agreed as follows :

Article 1

The two governments will jointly establish and operate a school for training of public health dental assistants (hereinafter referred to as "the School"). The purpose of the School will be to provide Uganda with facilities of training of auxiliary dental personnel in order to improve the dental health in Uganda.

Article 2

(a) When the School is fully established its teaching capacity shall be sufficient for 70 trainees and an annual production of 25 public health dental assistants.

(b) The training shall comprise two years of theoretical teaching and practical exercises at the School followed by one year of practical work in the field. Final examination shall take place at the School after the 3rd year.

(c) The curriculum will be laid down jointly by the Government of Denmark and the Government of the Republic of Uganda and in consultation with the World Health Organisation (WHO).

Article 3

The Government of Denmark shall ensure :

(a) Recruitment of Danish staff, referred to in Article 5, as well as payment of its salaries, insurance, and international travel expenses;

¹ Came into force on 20 June 1969 by signature, in accordance with article 12.

(b) payment within the limits of funds allocated, for :

- (i) designs and lay-outs necessary for the construction of the School as well as the transport of equipment from Denmark to the site;
- (ii) the erection of a school building with class rooms, laboratories and office facilities all including equipment, furniture and fittings;
- (iii) the erection and furnishing of a hostel for 70 students including five flats for the Danish junior staff;
- (iv) the erection of four staff houses for the Danish senior teachers including the director;
- (v) the provision of a complete stock of materials for the training;

(c) all the items mentioned in Article 3 (b), (ii) (iii) and (iv) shall form part of the buildings of the School. The title to the land on which the said buildings will stand shall belong to the Government of Uganda or its nominee;

(d) the standard of the items mentioned in Article 3 (b) shall be in conformity with the standards laid down by World Health Organisation and the law of Uganda;

(e) within the limits of funds allocated for this purpose to cover:

- (i) in the first three years after the establishment of the School all expenses required for the proper operation of the training, i.e. the replenishment of training and office supplies and maintenance of the school building and equipment;
- (ii) in the fourth year 50 per cent and in the fifth year 25 per cent of the expenses referred to in item (c) (i) of this Article.

Article 4

The Government of Uganda shall ensure :

(a) the procurement of a suitable site for the school near the Mulago Hospital;

(b) the provision of and payment for public utilities such as water, electric power, gas, lighting, sewage, and telephone installations;

(c) the procurement of a suitable site for the dwellings referred to in Article 3 (b) (iv) and of hard furniture for these dwellings of a standard equal
