AGREEMENT¹ BETWEEN THE GOVERNMENT OF THE REPUBLIC OF CAMEROON AND THE GOVERNMENT OF THE FEDERAL REPUBLIC OF GERMANY CONCERNING CULTURAL AND SCIENTIFIC CO-OPERATION

The Government of the Republic of Cameroon and the Government of the Federal Republic of Germany, hereinafter referred to as "the Contracting Parties",

desiring to intensify the friendly relations existing between the two countries and to develop and deepen co-operation in the cultural and scientific fields,

have agreed as follows:

Article 1

Both Contracting Parties shall endeavour to improve mutual knowledge of the culture of their countries and to assist each other in achieving this aim.

Article 2

- (1) The Contracting Parties shall endeavour, within the framework of their applicable legislation and on terms to be agreed upon by them, to facilitate and promote in their own country the establishment and activities of cultural institutions of the other Contracting Party.
- (2) "Cultural institutions" within the meaning of paragraph 1 above are, in particular, cultural institutes, schools and non-school educational establishments, libraries and similar scientific and cultural institutions.
- (3) The Contracting Parties shall, in accordance with their applicable legislation, afford the seconded staff of the said institutions and their dependants in the host country such facilities with regard to their

entering and leaving the country as well as their stay and their activities in the country as are necessary for the successful performance of their tasks.

Article 3

In the field of science and education, including universities and other institutions of higher education, research establishments, general and vocational schools, organizations and institutions of non-school vocational training and adult education, school and vocational training authorities as well as other educational and research institutions, the Contracting Parties shall, with a view to encouraging co-operation in all its forms, endeavour to

1. support mutual visits by delegations to exchange information and experience;
2. support the exchange of scientists and scholars, university administrators, teachers, instructors, students and pupils for information, study, research and training purposes;
3. promote the exchange of scientific and educational literature, teaching aids, information and demonstration material and instructional films as well as the organization of relevant specialized exhibitions.

Article 4

- (1) The Contracting Parties shall to the extent possible award basic training, further training and research scholarships for qualified students, scientists and scholars of the other Contracting Party.
- (2) The Contracting Parties shall examine under what conditions the university diplomas and titles awarded in the two countries can be regarded as equivalent for academic purposes.

Article 5

The Contracting Parties shall endeavour to encourage the study of the language, culture and literature of the other country.
