AGREEMENT¹ BETWEEN THE GOVERNMENT OF THE STATE OF ISRAEL AND THE GOVERNMENT OF THE RUSSIAN FEDERATION ON COOPERATION IN THE FIELD OF AGRICULTURE AND AGRICULTURAL INDUSTRY

The Government of the State of Israel and the Government of the Russian Federation, hereinafter the Parties;

Recognizing that mutual understanding between both countries creates prerequisites for establishing bilateral cooperation in the field of agriculture and agricultural industry,

Expressing their willingness and intention to work out and implement measures aimed at the development of bilateral relations,

Adhering to the principles of reciprocity and mutual benefit,

Have agreed as follows:

Article 1

The Parties will facilitate cooperation in the following directions:

- 1) Perfection and implementation of new intensive technologies for growing agricultural crops;
- 2) Modernisation and technical renovation of food processing enterprises;
- 3) Implementation of modern technologies in production of milk and meat products, renovation and modernisation of milk and cheese factories, construction of meat processing plants of small capacity;
- 4) Implementation of resources-saving and wasteless technologies into agricultural production and processing;
- 5) Modernisation and renovation of baby-food industry;
- 6) Service and maintenance of equipment supplied by Israeli companies for Russian agricultural industry.

Article 2

The cooperation between the Parties may be executed in the following forms:

- 1) Exchange of scientific-technical information and documentation, delegations of specialists, scientists, farmers, trainees;
- 2) Mutual scientific research on problems which are of interest to both Parties;
- 3) Provision of project design and consultation service;
- 4) Cooperation in agricultural research and in the implementation of its results.

¹ Came into force on 15 December 1994, the date of the last of the notifications (of 8 September and 15 December 1994) by which the Parties informed each other of the completion of the required internal procedures, in accordance with article 10.
