3012 BERNE

Berne, April 22, 2008

Excellency,

I have the honour to refer to the recent discussions held between the representatives of the Government of Japan and of the Government of the Swiss Confederation concerning the sharing between the two Governments of the confiscated assets held by the Canton of Zurich, the Swiss Confederation, in the case of money laundering by Susumu Kajiyama, and propose on behalf of the Government of Japan the following arrangements:

1. The Government of the Swiss Confederation shall transfer to the Government of Japan CHF 28,979,738.88, which represents approximately 50 percent of the abovementioned assets, within 1 month after the date of entry into force of the present arrangements.
2. Each Government will share the assets confiscated in its country with the other Government on a reciprocal basis and in accordance with its laws and regulations, when an offence similar to the abovementioned case takes place.

I have further the honour to propose that this Note and Your Excellency's Note in reply confirming on behalf of the Government of the Swiss Confederation the foregoing arrangements shall constitute an agreement between the two Governments, which shall enter into force on the date of Your Excellency's Note in reply.

I avail myself of this opportunity to extend to Your Excellency the assurances of my highest consideration.

Nobuyasu Abe  
Ambassador Extraordinary and Plenipotentiary  
of Japan in Switzerland

Ambassador Paul Seger
