Agreement between the Government of the Republic of Finland and the Government of the United States of America to Improve International Tax Compliance and to Implement FATCA

Whereas, the Government of the Republic of Finland and the Government of the United States of America (each, a “Party,” and together, the “Parties”) have a longstanding and close relationship with respect to mutual assistance in tax matters and desire to conclude an agreement to improve international tax compliance by further building on that relationship;

Whereas, Article 26 of the Convention between the Government of the Republic of Finland and the Government of the United States of America for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with Respect to Taxes on Income and on Capital, as amended by the Protocol, signed at Helsinki on September 21, 1989, as amended by the Protocol done at Helsinki on May 1, 2006 (the “Convention”) authorizes exchange of information for tax purposes, including on an automatic basis;

Whereas, the United States of America enacted provisions commonly known as the Foreign Account Tax Compliance Act (“FATCA”), which introduce a reporting regime for financial institutions with respect to certain accounts;

Whereas, the Government of the Republic of Finland is supportive of the underlying policy goal of FATCA to improve tax compliance;

Whereas, FATCA has raised a number of issues, including that Finnish financial institutions may not be able to comply with certain aspects of FATCA due to domestic legal impediments;

Whereas, the Government of the United States of America collects information regarding certain accounts maintained by U.S. financial institutions held by residents of Finland and is committed to exchanging such information with the Government of the Republic of Finland and pursuing equivalent levels of exchange;

Whereas, the Parties are committed to working together over the longer term towards achieving common reporting and due diligence standards for financial institutions;

Whereas, the Government of the United States of America acknowledges the need to coordinate the reporting obligations under FATCA with other U.S. tax reporting obligations of Finnish financial institutions to avoid duplicative reporting;

Whereas, an intergovernmental approach to FATCA implementation would address legal impediments and reduce burdens for Finnish financial institutions;

Whereas, the Parties desire to conclude an agreement to improve international tax compliance and provide for the implementation of FATCA based on domestic reporting and reciprocal automatic exchange pursuant to the Convention and subject to the confidentiality and other protections provided for therein, including the provisions limiting the use of the information exchanged under the Convention;

Now, therefore, the Parties have agreed as follows:

Article 1
Definitions

1. For purposes of this agreement and any annexes thereto ("Agreement"), the following terms shall have the meanings set forth below:

deposit, derivatives, etc.); foreign exchange; exchange, interest rate and index instruments; transferable securities; or commodity futures trading;

- (2) individual and collective portfolio management; or
- (3) otherwise investing, administering, or managing funds or money on behalf of other persons.

This subparagraph 1(j) shall be interpreted in a manner consistent with similar language set forth in the definition of “financial institution” in the Financial Action Task Force Recommendations.

- k) The term “**Specified Insurance Company**” means any Entity that is an insurance company (or the holding company of an insurance company) that issues, or is obligated to make payments with respect to, a Cash Value Insurance Contract or an Annuity Contract.

- o) The term “**Reporting Finnish Financial Institution**” means any Finnish Financial Institution that is not a Non-Reporting Finnish Financial Institution.
- p) The term “**Reporting U.S. Financial Institution**” means (i) any Financial Institution that is resident in the United States, but excluding any branch of such Financial Institution that is located outside the United States, and (ii) any branch of a Financial Institution not resident in the United States, if such branch is located in the United States, provided that the Financial Institution or branch has control, receipt, or custody of income with respect to which information is required to be exchanged under subparagraph (2)(b) of Article 2 of this Agreement.
- q) The term “**Non-Reporting Finnish Financial Institution**” means any Finnish Financial Institution, or other Entity resident in Finland, that is described in Annex II as a Non-Reporting Finnish Financial Institution or that otherwise qualifies as a deemed-compliant FFI or an exempt beneficial owner under relevant U.S. Treasury Regulations.

- r) The term “**Nonparticipating Financial Institution**” means a nonparticipating FFI, as that term is defined in relevant U.S. Treasury Regulations, but does not include a Finnish Financial Institution or other Partner Jurisdiction Financial Institution other than a Financial Institution treated as a Nonparticipating Financial Institution pursuant to subparagraph 2(b) of Article 5 of this Agreement or the corresponding provision in an agreement between the United States and a Partner Jurisdiction.
- s) The term “**Financial Account**” means an account maintained by a Financial Institution, and includes:
- (1) in the case of an Entity that is a Financial Institution solely because it is an Investment Entity, any equity or debt interest (other than interests that are regularly traded on an established securities market) in the Financial Institution;
 - (2) in the case of a Financial Institution not described in subparagraph 1(s)(1) of this Article, any equity or debt interest in the Financial Institution (other than interests that are regularly traded on an established securities market), if (i) the value of the debt or equity interest is determined, directly or indirectly, primarily by reference to assets that give rise to U.S. Source Withholdable Payments, and (ii) the class of interests was established with a purpose of avoiding reporting in accordance with this Agreement; and
