[TRANSLATION — TRADUCTION]

No. 4263. EXCHANGE OF NOTES CONSTITUTING AN AGREEMENT¹ BETWEEN THE NETHERLANDS AND GREECE CONCERNING THE ABOLITION OF VISAS. ATHENS, 28 JULY AND 26 SEPTEMBER 1953

I

KINGDOM OF GREECE
MINISTRY OF FOREIGN AFFAIRS

37539 E.9

Athens, 28 July 1953

Your Excellency,

I have the honour to inform you that, pursuant to resolution No. 20 of 19 March 1952 of the Committee of Ministers of the Council of Europe regarding the abolition of passport visas for nationals of countries members of the Council of Europe, the Greek Government is prepared to conclude with the Netherlands Government an agreement in the following terms :

1. Netherlands and Greek nationals travelling as tourists or on business connected with commerce and with industrial and economic undertakings shall be free to proceed from any country whatever to Greece and the Netherlands respectively without the necessity of obtaining a visa in advance, provided that they are in possession of a valid passport of the country of which they are nationals. It is understood that the maximum duration of the visit on each entry may not exceed two months. Netherlands and Greek nationals wishing to remain in Greece and the Netherlands respectively for a period exceeding this time-limit must obtain the necessary authorization from the local authorities, which shall have discretion to grant or to refuse such authorization. Such extension shall in no case be granted for a period exceeding one month.

2. It is understood that nationals of either country who have once enjoyed the privilege of admission to the territory of the other without a visa may not re-enter without a visa until a period of at least three months has elapsed since the date of their departure. This restriction shall not, however, apply to any person who has procured in advance from the local authorities of the country which he intends to visit a permit releasing him from this obligation.

This three months' restriction shall not apply to transit visas.

¹ Came into force on 22 December 1953, as from the date of receipt of a note from the Government of the Netherlands informing the Government of Greece that the approval required in the Netherlands under the Constitution had been obtained, in accordance with the terms of the said notes.
